

Genie Forklift

Genie is a globally recognized corporation that enjoys the spirit of alliance with their extensive network of allied customers. Genie Industries prides itself on the image of bringing materials and people higher and extending further beyond the products they manufacture. Genie Industries strives to help clientele build their operations no matter how large or small the level of undertaking may be.

The introduction of the Genie Hoist in 1996, a pneumatic, portable materials lift initiated the start of Genie Industries. A series of aerial work platforms and additional material lift trucks followed to meet customer demand. These innovative goods secured universal recognition and established state-of-the-art product design.

Genie Industries is at this time a subsidiary of Terex Corporation. Sustaining leading quality manufacturing and uncompromising service and support are among their top priorities. With customers from Helsinki to Hong Kong and Denver to Dubai requesting the unique blue coloured forklifts on the jobsite, the business is self-assuredly grounded in their exceptional consumer service and values. Acknowledging that their clients are their greatest motivation, the team at Genie Industries are individually dedicated to delivering expertise and maintaining customer rapport.

The dependable staff is fully committed to greener, more environmentally practical possibilities to develop the goods that customers want. Genie Industries focuses on "lean production" practices in order to help minimize waste while providing very high quality forklifts in the shortest time period at the lowest feasible cost for the consumer. The staff at Genie Industries is proud to serve the industry and this is reflected in every invention they manufacture. Always inviting consumer input helps them to design and develop progressive new products that are effortless to service and handle, deliver optimum value-for-cost and satisfy global standards. Thriving on client feedback helps Genie Industries to persistently evolve and meet the consumers' needs.

Genie's service professionals are eagerly accessible to offer solutions to the inquiries you may have in order to keep you fully operational. Their extensive components network will promptly send components to guarantee their customers' machines are operating effectively. Every product comes backed by a competitive and reliable warranty.

Genie Industries prides itself on customer success. They assemble and service their goods to maximize performance and uptime on the job. Delivering on-going instruction opportunities, to marketing support to adaptable financing options, Genie Industries offers their customers the tools to get the most out of their purchase.
