

Nissan Forklift

Nissan takes immense pride in achieving overall client satisfaction, when their customer is experiencing one of their various products including cars, trucks, and lift trucks. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are fully committed to offering high value and meticulous quality values to their customers. Incorporating a fruitful heritage combined with resilient manufacturing principals, Nissan lift trucks supply many of the best materials handling equipment the industry has to offer.

Nissan Forklifts has a short time ago added a European production warehouse in Sweden to sustain their worldwide lift truck demands. Committed to delivering consumer support, the business has four separate production facilities that allow them to constantly adapt to their consumers continually evolving wishes by providing a range of progressive ideas and designs.

The Nissan Forklift North and South American base is located in Marengo, Illinois. A loyal team of 350 personnel is fully committed to the support, design and manufacture of their goods. Working under the ISO-9001 and ISO-14001 certifications, helps every sector of the Nissan Forklift Corporation to preserve environmental responsibility by using techniques that reduce the global effect of their products and processes. These high values remind customers that Nissan operates under the quality seal that their customers demand while being an environmentally aware company.

Nissan is certain that they will be able to address any buyer inquiries or considerations. Always accessible through their website or by calling 800.871.LIFT, reaching one of their locally authorized sellers or even visiting their Midwestern facility, Nissan Forklift Corporation is certain you will be impressed with their hospitality and dedication.
